HYDROGRAPHY ETC., (HT)

CHART DIVISION (HT)

In reply to a verbal request from the Chief, Division of Charts, of this date, I have to state that the datum of "ordinary low water" used on Hydrographic Sheet 129, of Rockaway Inlet, N.Y., in 1841, is essentially the same as our mean low water.

Hydrographic Sheet 129
is returned herewith.

L. P. Shidy

Acting Chief, Section of Tides and Currents.
