

# 150

Diag. Ckt. No. 1219-1

Form 504  
Ed. June, 1928

DEPARTMENT OF COMMERCE  
U. S. COAST AND GEODETIC SURVEY

....., Director

State: Delaware

## DESCRIPTIVE REPORT

*Topographic* } Sheet No. 150  
*Hydrographic* }

### LOCALITY

Indian River Inlet and  
Rehoboth Bay

191847

CHIEF OF PARTY

R. Bache

# 150

(COPY)

HYDROGRAPHIC SHEET No. 150

Rehoboth Bay and Indian River, Delaware.

The plane of reference used for Hydrographic Sheet No. 150 appears to be approximate mean low water. The rise and fall of the tide in Rehoboth Bay is very small and in portions farthest from the Inlet no tide reducers were applied.

Chief, Division of Tides and Currents

April 29, 1925

(COPY)

HYDROGRAPHIC SHEET No. 150

Rehoboth Bay and Indian River, Delaware.

The plane of reference used for Hydrographic Sheet No. 150 appears to be approximate mean low water. The rise and fall of the tides in Rehoboth Bay is very small and in portions farthest from the Inlet no tide reducers were applied.

Chief, Division of Tides and Currents

April 29, 1926

(Furnished to Capt. Ellis, March 27, 1930)
