October 1, 1909.

Mr. Andrew Braid,  
Assistant in charge of Office.

Sir:

In reply to your memorandum request of the 25th ultimo, I have had determined the plane of reference used and the differences between those planes and mean low water for the following Hydrographic Sheets of the Rappahannock River, Virginia, made by Lt. R. Wainwright in 1853-4.

Nos. 398	452	523	609
399	453	605	610
400	454	606	
450	521	607	
451	522	608	

The results have been furnished to the Drawing Division.

Respectfully yours,

*L. P. Shady*  
Chief of Tidal Division.
