HYDROGRAPHIC SHEET 3559.

NAVY AND ARCHIVES
APR - 6 1911
Acc. No.

Lake of the Woods, United States and Canada Boundary,
by Assistant F. D. Granger in 1913.

Datum of Soundings.

Oak Point staff ft.	Point aux-pins staff ft.	Station 2 Rainy River staff ft.
---------------------------	-----------------------------------	--

The datum of soundings adopted is the mean lake level for the year 1911, which was the lowest yearly average from observations at Warroad, Minn., during the years 1903 to 1913, inclusive, and which corresponds to a staff reading of -----
Lowest water observed ---
Highest water observed

0.0	2.2	1.9
-1.0	1.2	0.9
5.6	7.8	7.5
