Sound of Speed Data

Sound of speed data is submitted in the form of SVP data within the CARIS project for this survey. The file names are 2009-042_Averaged.svp, 2009-042_South_Transit.svp, and 2009-042_St_George_South.svp. The application of these profiles is detailed in the Data Acquisition and Processing Report (DAPR)
